

Abundance Prayers for Unlimited Supply

By Dr. Joseph Murphy

(Read These EVERY Day and Imagine it as You Do!)

Affirm this prayer morning and evening for about 10 minutes each, knowing that you are writing down these truths in your subconscious mind.

“Whatever you impress on your subconscious mind, is expressed on the screen of space, and your conscious mind is the pen, the thinking; and what you think and feels comes to pass.”

– Dr. Joseph Murphy

Abundance Prayer #1

I know there is only one Source;

The life principle from which all things flow.

It created the Universe and all things therein contained.

I am a focal point of the Divine Presence.

My mind is open and receptive.

I am a free-flowing channel for harmony, beauty, guidance, wealth and the riches of the Infinite.

I know that wealth, health, prosperity and success are released from within, and appear on the without. (I now release these things within me.)

I am now in harmony with the Infinite supply,

And just as I would adjust an instrument in my laboratory,

I am now mentally adjusting my focused attention on the Eternal Source of all blessings.

I wish for everyone all the blessings of life.

I am open and receptive to God’s riches, spiritual, mental and material;

And they flow to me in avalanches of abundance.

Abundance Prayer #2

*I am now writing in my subconscious mind the idea of God's wealth.
God is the Source of my supply, and I know God is the life principle within me and
I know I am alive.
All of my needs are met at every moment of time and point of space.
God's well flows freely, joyously and ceaselessly into my experience.
God is my instant and everlasting supply.
Whatever I desire is a Divine idea, and I accept those things in Divine order
through Divine love.
All things in my life are paid for by Divine order.
All of my needs are met, now and forever.
And I give thanks for God's riches circulating forever in my experience.*

Abundance Prayer #3

*I am born to succeed.
I am born to win.
The Infinite within me cannot fail.
Divine law and order govern my life.
Divine peace fills my soul.
Divine love saturates my mind.
Infinite intelligence guides me in all ways.
God's riches flow to me freely, joyously, endlessly, ceaselessly.
I am advancing, moving forward and growing – mentally, spiritually, financially
and in all other ways.
I know these truths are sinking into my subconscious mind.
And I know, and I believe, they will grow after their kind.*
